

Now, to insure that this section can be written and created in a timely manner, Forbes Magazine will need to receive payment of the \$160,000 net on or before October 30th. Mr. Trustfull will be in touch with you in the very near future to begin the creative process. In the meantime, please feel free to contact me here at Forbes headquarters in New York anytime at 212.206-5562 with any questions.

Many thanks for this wonderful and exciting partnership.

My respect,

Mark A. Furlong
