Frankfurt, 22<sup>nd</sup> September 2008

Your Excellency Ambassador Muatetema Rivas,

thank you very much for the good and productive meeting last Sunday. We will prepare all documents for the visit of your Honorable Minister.

As discussed, you and your Honorable Minister are cordially invited to come to Frankfurt on Tuesday, 14<sup>th</sup> October, to get an impression of my company. It would be perfect if you could stay at least one night, so that we all can have dinner together on Tuesday evening. Please just let me know which flight you take and I will arrange everything else (transport, accommodation etc.)

The aim of the meeting on 14<sup>th</sup> October is to learn more about the needs of Equatorial Guinea and to present our ideas to you, how we could help Equatorial Guinea to achieve its strategic visions.

After the meeting we should be able to set up a Memorandum of Understanding (MOU) how to proceed. We then also would be eager to visit your country soon.

With highest consideration,  
yours sincerely,

Christian Angermayer
